

## Police Chaplain Division

### MISSION

It is our Mission to provide professional training to **Messages of Faith Ministry Police Chaplains** (MOFMPC) equipping them to provide consistent care and coaching for the CCSD Police Department, all facets of law enforcement, and emergency service personnel.

MOFMPC is the professional chaplains division of Messages of Faith Ministry (MOFM), and shall exist to provide biblically-based chaplain services, both personal and professional, to all law enforcement and emergency service responders and personnel, and their families within Clark County Nevada.

MOFMPC is a interfaith ministry division that trains and supports Christian and interfaith chaplains. MOFMPC serve the community, yet we are not in the business of seeking converts to any particular church group, religious organization or denomination. MOFM Police Chaplaincy is nondenominational in emphasis, providing unrestricted service regardless of personal faith or beliefs.

It is our mission, while in contact with the community, to care for the troubled and those who have endured loss and/or been victimized by events or tragedies that have left them abandoned, helpless, and without hope.
