Chaplain Rick Voskuhl

DANIEL

Rick is a member of the Champion Center. Today Rick never lets his disability and confinement to a wheelchair keep him down. Born with a disability as a young man due to his depression he contemplated suicide, and began to use drugs and alcohol. It was through his friend that Rick made a choice to go to church, he raised his hand and answered an altar call, saying that if hell was worse than what he knew then he didn't want to go there. Today through his love for Christ Rick spends time ministering and volunteering at local events, and he did his first missions trip to Mexico in 2014.
